Scopes of Practice & Code of Ethics Ohio Prevention Professionals

Note: The Ohio Prevention Professionals Association has developed a range of tools to support supervision of prevention professionals in Ohio. These resources are intended to support prevention supervision but are not prescriptive. Expectations of prevention supervision are the purview of the Ohio Chemical Dependency Professionals Board, the Ohio Department of Behavioral Health, and/or individual employers and professionals.

Individuals holding a valid prevention certificate in Ohio are required to stay within a Scope of Practice as defined in the Ohio Administrative Code (OAC). Each prevention certificate and the URL to the respective Scope of Practice is below. Individuals holding a valid prevention certificate in Ohio are also required to abide by the Ohio Code of Ethics for Prevention Professionals. That URL is also provided below.
